

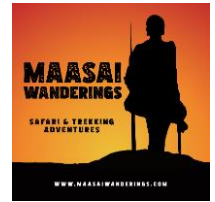

PHOTOGRAPHIC SAFARI

OPTION TWO – RIVER CROSSING SEASON

[Ideal for July - October. Other months are possible but accommodation recommendations will change, and there will likely be no crossings]

Tanzania offers some of Africa's most spectacular wildlife, cultures and landscapes to hone your skills while photographing. Tanzania is MUST on any photographers wish list, but rates very high for photographers who thrive with golden light, a vast array of resident and migratory wildlife with instinctual behaviours passed down through millenia. Be taken under the wing of one of our expert photography guide, helping you to obtain optimal light, optimal viewing and optimal photographic outcomes. Our vehicle can be modified to rollback canvas roof (if preferred), seat removal (if preferred), in-car charging system, bean bags and dust covers at the ready and the expertise of our team.

NOTE: This itinerary can be led by one of our partner professional photographic guides (instruction and workshops) for part or all of the trip – subject to availability and additional charges apply

DAY ONE

Arrive Kilimanjaro TBA. Meet for transfer to accommodation for overnight.
Rivertrees Country Inn [dinner included]

DAY TWO

After breakfast, road transfer to Tarangire National Park. Enter the park for game driving and exploration. Known for its backdrop of baobabs, true sense of wilderness and massive elephant herds, this park with its dry river bed for most of the year shares some wonderful photographic opportunities throughout the year. **Tarangire Ndovu Tented Lodge** [breakfast, lunch, dinner: house drinks also included]

DAY THREE

Another day in Tarangire—explore the bushveld and onto the Silalei swamp to view a mass of elephants grazing on the succulent grasses. Around the swamp is the potential to spot predators as well, so beware! We take our time, patience is often the key to incredible images. Return to camp for shower to wash off the safari dust and then private sundowners and dinner under the stars. **Tarangire Ndovu Tented Lodge** [breakfast, lunch, dinner: house drinks also included]

Optional Extra: Balloon Safari over Tarangire with champagne breakfast in the bush after landing, supplement: US\$599pp

Optional Extra: Night Game Drive, supplement: US\$120pp

DAY FOUR

Early morning transfer into the Ngorongoro Conservation Area. This area was developed where Maasai and wildlife live in traditional lands without harm to either. Descend into the crater floor, a collapsed volcano, World Heritage site, to game drive the base from open plain, swamp areas and acacia woodlands. Return to lodge on the crater rim for overnight. **Crater's Edge** [breakfast, lunch, dinner: house drinks also included]

DAY FIVE

Transfer through the heart of the Serengeti, meandering our way through to the far northern areas, bordering the Masai Mara, Kenya. Best time for the wildebeest migration in this part of the season is July - October (northern Serengeti), but there are spectacular resident wildlife sights at other times also. In this season, the Kogatende, Bologonja and Lamai areas are known for migration herds as they run the gauntlet of the Mara River. With an instinctual need to cross in search of lush, new feeding areas, the herds launch themselves across a crocodile-infested and often raging river. Dinner and camp-fire with the stars and sounds of the

African night. Tonight around the camp fire, we listen to some stories of the tribes whose lands are part of where we are. Overnight at **Nasikia Mobile Migration Camp** [breakfast, lunch, dinner: house drinks also included]

DAY SIX

All day game driving in the Serengeti. This area is known for its incredible resident and migratory wildlife viewing over the rolling hills, the rocky outcrops and creviced waterways. It is also home to the endangered and prehistoric-looking Black Rhino; an added bonus should come across one as it browses the area. Our camp is located in a west facing position to capture those dreamy fireball sunsets after an exciting day of photography. Overnight at **Nasikia Mobile Migration Camp** [breakfast, lunch, dinner: house drinks also included]

Optional Extra: Balloon Safari over the plains with champagne breakfast in the bush after landing, supplement: US\$599pp

DAY SEVEN

All day game driving in northern Serengeti; an area so expansive that we have many chooses in terms of what habitats to explore. It is all as you would like, you are in control of this private expedition. Our Nyamblumbwa area often has an array of visitors from big cats to huge migration herds to nocturnal delights. Listening to the sound of the night here is priceless. Overnight at **Nasikia Mobile Migration Camp** [breakfast, lunch, dinner: house drinks also included]

DAY EIGHT

Our camp is also near to the Sand River, a typically dry riverbed that almost defines the border between Kenya and Tanzania in northern Serengeti. The river

is lines with lush forest and prolific wildlife sightings from vervet monkeys to giraffe, serval, black rhino or leopard. The photography here can often come in layers – your subject, its location and the surprise foreground or backdrop photo bombs. **Nasikia Mobile Migration Camp** [breakfast, lunch, dinner: house drinks also included]

DAY NINE

Early morning game drive to airstrip for flight to Kilimanjaro. Depart Kogatende mid-morning and arrive into Kilimanjaro (day room near airport available if required). Transit to departing flight: Depart JRO TBA (our Zanzibar extensions are the perfect add on to this safari itinerary)
