Day 5– Nyerere NP is best visited during the months of June through to February and is home to one-third of Tanzania's elephants and two-thirds of Tanzania's wild dog population. The Rufiji River showcases hippo and croc. The area is bird lover's paradise. The camp itself was built by local craftsmen to specifically to compliment the riverbank. Each tent is built under a thatched roof and is ensuited. Game package scheduled activities including walk and boat safari. RUFIFI RIVER CAMP (Breakfast, Lunch, Dinner)
